

FRESH AS PAINT SPECIAL

Buy a gallon of wall paint...get a color-matched quart of trim

FREE!

Nothing can change a room faster than color! And colorful "Dutch Boy" Nalplex and Satin Eggshell are the smartest, easiest team to do the job.

"Dutch Boy" Nalplex is a truly scrubbable latex wall paint that covers in one coat, doesn't show stop 'n' start brush marks, dries to a lovely flat finish in no time at all — and with Nalplex, there's no "painty" odor! Brushes, rollers clean up as easily as you wash your hands — in plain soap and water.

"Dutch Boy" Satin Eggshell is tough, durable enamel that dries quickly to a soft rich luster that defies moisture, scrubbing, even small-fry wear and tear. After that, all you need to keep rooms looking fresh is a little soap and water.

And the "Dutch Boy" colors you can choose will make you want to start today! Doesn't the whole idea give you spruce-up fever? Come on in and buy your gallon. We're itching to give you the color-matched quart that's FREE!

We're the men who sell it!
