Tyler – thanks for making the connection. I’m moving you to bcc.

(b)(6) – It sounds like the project referenced by Tyler may have MARAD as well as PHMSA involvement. I’m looping in Ben Siegrist from the Office of Public Engagement who will connect you to the relevant people in MARAD and PHMSA for purposes of discussing the project.

Best,

Ryan

Hi (b)(6)

Thank you for reaching out to Rep. Wied about some concerns you have with the ST LNG project. I’m connecting you here with Ryan McCormack at the Department of Transportation to hopefully help solve some of your problems. I’ll let the two of you take it from here but please let us know how else we can be helpful.

Thank you both!

Rep. Tony Wied (WI-08)
