R. S. DIEM
MARSHALL LAB.

You recently asked for background information concerning mercury, lead, and air pollution control regulations. We are enclosing copies of the following which you may find useful:

Lead	Fed. Reg.	11/2/71
	Fed. Reg.	3/11/72
Mercury	Fed. Reg.	3/29/72
Air Pollution	Fed. Reg.	1/22/73
Air Pollution	County of Los Angeles APCD	Report for 1971*
Air Pollution	Paint Technology and Air	Pollution U.S. EPA*

One page summaries of each state's air pollution control regulations can be found in the booklet "Air Pollution Control Regulations Affecting the Finishes Industry." Copies are available in your library. The introduction also gives a little background information.

I hope that the above will fill your needs. It will be difficult for you to quickly acquire enough background to field many detailed questions. If we can be of any further help, just let me know.
