Dear Jerry:

I hope to have our Lead Paint Poisoning film out of the can by March 31st. I believe you will be interested in the film -- the medical advisory team is quite exceptional: Dr. J. J. Chisolm, Dr. Jane S. Lin-Fu, Dr. Roger Challop and Dr. Janice Y. Robinson. I chatted with your very nice assistant in great detail about the film earlier this week.

I thought you would be interested in the enclosed clipping. If I can get copies of Dr. Fisher's papers, I shall stat them for your office. He's gotten quite a play in the Washington area on radio, T.V. and in newspaper.

Sincerely,

Stella L. Miller
