Thank you for getting back to me!

It is regarding the BUILD and SMART grants for the I-40 Trade Port Corridor project. There has been a request for the administrative responsibilities for the grant to be reassigned from Bernalillo County, New Mexico to the City of Winslow, Arizona. The project will eventually flow through I-40 in Oklahoma.

I just wanted to pass along my boss' support for the transfer of administrative responsibilities to Winslow, Arizona and support for the project in general!

Best,
Sofia

Hey Sofia – those are run out of our office of policy. Is there something specifically looking for pertaining to these grants? Trying to figure the best person to put you in contact with.

Thanks!
Hannah

Hi Hannah,

Who at DOT is overseeing the BUILD and SMART grants?
