"What a Difference a Little Paint Makes!"

This is often said after the housewife has spent just a little time in touching up or repainting the furniture.

\$ 5.85 for this furniture ?

Not! It's not true—it's been modernized! And with Lustre-lac Chamois Enamel you can do over your crummy and shabby pots for an equally small sum. Imagine this secretary and small chair painted Chinese red and striped with almond green—the table and 2 chairs chair painted almond green and striped with Chinese red. Modernly stunning? Devotedly so!

While you will enjoy doing the decorative painting around your home, for the larger work you are planning you would consult a reliable master painter. He will gladly use a product of the National Lead Company for the work you have in mind.

A colored booklet showing just how easy decorative painting is with Lustre-lac is available for the asking. Just write to the company; they will send it to you post paid.
