NEW YORK 17, N. Y.

November 29, 1962

To the Industry Development Committee of
the Lead Industries Association, Inc.:

I believe you will all be interested in the fact that the following cablegram was received from Walter Hiscock yesterday but did not reach my attention until the Industry Development Committee Meeting was over. I have replied to his cablegram, but I think that many of you might want to send your own personal acknowledgments to this cable from the man who has taken such an interest in lead and zinc over the years.

"GREETINGS FROM AN OLD CROCK BEST OF LUCK TO YOU ALL
AND TO THE PRICES OF LEAD AND ZINC"

Walter's home address is: Corry Hill, Primley Green,
Mr. Aldershot, Hants, England.

Very truly yours,

RLZ:mk

Executive Vice President
