NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients.

This simple mixture can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use. You simply moisten a sponge or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears, after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

KARN
Declares Los Angeles...

According to the testimony of thousands of California citizens from all walks of life, there is nothing so fine to rebuild the health and strength as Andre's phenomenal new medicine Karmak.

Among the latest to testify to its remarkable qualities is Mr. John Adams, well known confectioner, 9301 Maple avenue, Los Angeles.

"I have found Karmak of such real benefit in my case that I am delighted to tell others about it," says Mr. Adams. "I had gotten into such a weak, run-down condition that I hardly had strength enough to attend to business. My blood was in very poor condition, too, and I felt miserable all the time.

"I have taken [illegible] bottles of Karmak and I feel like a new man. I weigh [illegible] pounds more than I did when I started taking Karmak and I feel fine in every way."
