

NAVY YARD, NEW YORK
SUPPLY DEPARTMENT

L8-2(RO-1590-44)(P-16) MEM:BK

7 April 1944

REGISTERED MAIL

From: Supply Officer
To : Chief of the Bureau of Ships
Attn: Lt. McNamara (Code 517)

Subj: USS STORM KING (AP 171) - Report of Shortages on Part
I Machinery Spare Parts of Commissioning Allowance

Ref : a. BuShips Speedletter 032258 dated 1 April 1944

Encl: A. List of Material available for USS STORM KING (AP 171)
by 9 April 1944
B. List of Material not available for USS STORM KING
(AP 171) by 9 April 1944

1. In reply to reference (a), enclosures (A) and (B) are forwarded herewith for information.

2. Follow-up action for material listed in enclosure (B) will be continued. It is noted that orders on outstanding contracts are now being received. Estimated delivery dates from companies can therefore be dated from approximately 1 April 1944. Specific dates on these outstanding contracts and shipping information on further expedited material will be forwarded when available.
