Mr. Alton L. Jones
JOPLIN INSULATION PLANT

Dear Alton:

You have probably already seen the letter from Mr. Miller of North American Refractories Company to John Harrington asking that the Caution notice be applied to the products we make for Narco. Lou Montant informs me that the product designations that you will want to be covered by this Caution notice are:

Narco Staz-On - *pl*

Narco Unicote - *pl*

Will you please proceed accordingly, Alton?
