actually develop these same diseases, correct?

A Yes.

Q And then they say subsequently, there were occasional reports of lung cancer and mesothelioma among workers installing and repairing friction materials.

That refers to the kinds of brake linings or brake materials we are talking about in these cases, correct?

A Yes.

Q And if we can go to the next page, please.

They actually reviewed the pathology specimens on this man who died of mesothelioma, correct?

A Yes.

Q And Dr. W.T.E. McCaughey, Dr. McCaughey has been doing research and writing about asbestos and mesothelioma since 1958; is that correct?

A From the pathology point of view. You got to remember, there is a row of case reports in the overall disease causation development.
