Mr. Ernest T. Trigg,
John Lucas & Co., Inc.,
322 Race Street,
Philadelphia, Pa.

Dear Mr. Trigg:

Mr. Hoover has received your letter of March 10th and appreciates your continued interest in his visit to the Manufacturers' Club.

Mr. Hoover would much like to accept, but it simply seems impossible at the present time. He is simply deluged with work and there is scarcely a moment when he is not very much tied up. He hopes to be with you some time in the future and feels sure that you will realize how difficult it is for him to get away from his duties here.

Sincerely yours,

B. D. Nash,
Secretary to Mr. Hoover.
