Barium Monohydrate Contract

12/23/58

In answer to your letter on the above, I have given Mr. Lemke a copy of our contract with Sunkor Hill, which he is studying, and we will have a meeting here with all concerned to decide how our accounting should be set up to conform with the contract. No doubt, at that time he will want you to come to Cleveland or go to Coffeyville so that we are all in agreement on it. You will hear from him later in this connection.

In the meantime, it will be well for you to get your thoughts together on it as well.
