SAC Agenda for Meeting - Feb. 9

George Bostick

G. A. Danner

G. T. Ryan

There will be a meeting of SAC on Wednesday, February 9, 1977 at 2:00 p.m. in the VIP room.

Subjects, we will address are:

1. Review MeOH tanks to evaluate N₂ blanketing.
Tom Ryan - Please come prepared to discuss and recommend - Bring expert, if desired.
2. Review of Warden communication - radio vs. phone.
What and how to communicate if phone lost?
Do we have adequate radios?
Do all wardens and alternates have radios?
Does EPP center have back-up communication capabilities to this group?
What about EPP radio back-up to Plt. if wires are lost?
George Bostick - Please come prepared to discuss - Bring radio expert if necessary. Comment - Security's new system may be our answer if we could get into that repeater, it might give us sufficient redundancy. Shorty Albritton can help.
3. We have been asked to evaluate communication efforts associated with implementation of new codes.
George Danner - Please search, review and come prepared to discuss.
4. We should make recommendation on van vs. truck for backup radio for disaster.
George Bostick - get details from Lacy on SHAC recommendation here.
5. We will attempt to discuss smoking issue.
6. Guest inspection emphasis will be discussed.
7. Review of Gatewood's proposal on O/H rack work and barricading will be discussed.
8. We should discuss implementation plans and communications for converting to new OSHA reporting system for Safety.
9. West Gate traffic problems.

There will be a meeting on Friday, January 14th at 1:00 p.m. It will be held in the VIP room as usual.

Our purpose is to review 1976 items and resolve to conclusion.

The items I have on my list are:

1. Review "EPP Concerns List" for wrap-up.
2. Electrical tracing hazards.
3. X-ray procedures.
4. Emergency signals - audibility.
5. Emergency room power backup.

If you have other items that we need to discuss, please come prepared to discuss. By copy of this, I am asking Arnold Glass or his alternate to attend to discuss the x-ray problem. Also, I will schedule Sam Graves to discuss EPP room power backup status.
