

1 present day?

2 A Yes, sir. At variable times I do a large --
3 a large amount of my research is devoted to that area
4 and sometimes a large amount of my research is devoted
5 to other areas.

6 Q Have you received any grants or sponsors for
7 that research?

8 A Yes, sir. That grant -- I am sorry. That
9 research has been sponsored by the American Lung
10 Association, and I have also received research funding
11 for that from the American Cancer Society.

12 Q Have you ever received any awards for any of
13 your research?

14 A Yes. I believe in 1991 the Governor of
15 Maryland, who was then William Donald Schaefer,
16 presented me with an award for my research on adult
17 lung disease which was research on mesothelioma.

18 Q And your research continues to the present
19 day?

20 A Yes, sir.

21 Q Doctor, you mentioned peer-reviewed
