December 27, 1949

Dear John:

I am just now in receipt of your letter of December 22nd notifying me of my appointment as Manager of the Metal Division of the National Lead Company, Philadelphia, and I wish to take this opportunity of extending to you, and through you to the directors of our company, my sincere thanks for their confidence. Needless to say, I am very grateful and you can be assured of my every continued effort towards the company's interests, and so that we might bring about greater and improved results.

With kindest regards, I remain

Sincerely,

Mr. J. B. Henrich, Sec'y.
