Dear Aurelia

Thank you again for participating in the Summit and your comments.

The Steering Committee requested we only post the science and management presentations on the web site.

However, I will provide you the link to your presentation shortly.

It looks like we have some movement on the management issues raised by the Summit.

Please let me know if I can be of further assistance.

Respectfully

Terry Messmer

Dear Terry,

It was a pleasure to meet you and appreciate the opportunity to participate and represent at the event. I've looked on the website for some of the recordings, but I could not find my presentation. Would you be able to send my presentation to me? I would greatly appreciate it. Thank you.
