

1 Society of Automotive Engineering?

2 A I have received three that I can remember,
3 yes.

4 Q Okay. Briefly, if you could tell the jury
5 about those awards, please.

6 A In October of 1986 I received Outstanding
7 Contribution to Brake Industry Award which was the
8 first brake-related award that they gave. I was very
9 proud to get that.

10 In October of '92 I received Recognition
11 Award for work on the Brake Colloquium which is an
12 annual meeting on brakes and my work on vehicle
13 safety, and I received the Speaker's Award I believe
14 in '91 as a result of some of my paper presentations.

15 Q Okay. So I gather from your last comment,
16 then, you have published articles or studies?

17 A I have a number of publications, and I have
18 made a number of presentations all over the world,
19 yes.

20 Q And do any of the publications of your
21 articles or studies specifically involve the use of
