Glen Butler
Area Director
Occupational Safety and Health Administration
Federal Office Building - Room 734
234 Summit Street
Toledo, Ohio 46304

Dear Mr. Butler:

REF: OSHA-1, No. 320

This is our first progress report for correction of alleged violations stemming from an inspection made on 2/4/76.

This report is divided into two sections. First are items which have been corrected. Second is a progress report on items not yet corrected.

COMPLETED ITEMS

<u>Citation #</u>	<u>Item #</u>	<u>Corrective Action Taken</u>
2	1	Guards were located and immediately installed following the inspection.

ITEMS REMAINING TO BE COMPLETED

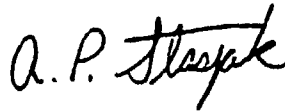

<u>Citation #</u>	<u>Item #</u>	<u>Status</u>
1	1	An electrical contractor and an electrical supply house are currently evaluating lighting needs throughout the plant. This is to be completed by 4/15/76, after which quotes will be requested so that a purchase order may be written. This item will be completed by 8/16/76.
1	2	An electrical contractor has been hired to rewire the motors and equipment at the Bond line. New work will comply with all applicable codes and will be completed by 3/16/76.
