Hello Aaron. Just wanted to follow-up and see if the Administrator has time the week of April 15th to discuss methane policy. If not, does he have any time later this week (the week of April 8th)? Feel free to call me at 312.307.4549.

Aaron, the Chairman and President of BP America (Susan Dio) would like to meet with Administrator Wheeler the week of April 15th to discuss methane policy. Does the Administrator have a 30 minute opening some time that week? Feel free to call me any time.
