

Table
BASF Corporation facilities that are the subject of this request, the specific emissions standards or limitations subject to the request and the length of compliance period being requested

Site	Category	Requirements	Requested Duration of Exemption
Geismar	Definitions	63.101: The following definitions Group 1 process vent (revert to previous definition) Group 2 process vent (revert to previous definition) In ethylene oxide service	Two years from the compliance date of each specific requirement
Geismar	General Requirements	63.103(b)(1), (c)(2)(iv) 63.107(j) 63.108 63.109 63.110(d)(5)-(10), (h)(2) and (j)(1)	Two years from the compliance date of each specific requirement
Geismar	Process Vents	63.113(a)(4)-(5), (j)-(l) 63.114(a)(5)(v) and (d)(3) 63.115(g) 63.116(g) 63.117(g) 63.118(a)(5), (f)(7) and (n) 63.124	Two years from the compliance date of each specific requirement
Geismar	Storage Vessels	63.119(a)(5), (a)(7), (b)(5)(ix)-(xii), (b)(7), (f)(3)(iv) 63.120(d)(1)(iii), (d)(9) 63.124 Subpart G, Table 5, footnotes b and c Subpart G, Table 6, footnotes b and c	Two years from the compliance date of each specific requirement
Geismar	Fenceline monitoring	63.184	Two years from the compliance date of each specific requirement
Geismar	Heat Exchange Systems	63.104(a)(3), (a)(4)(v), (g)-(l)	Two years from the compliance date of each specific requirement
Geismar	Leak Detection and Repair	63.163(a)(1)(iii), (b)(2)(iv), (c)(4), and (e)(7) 63.168(b)(2)(iv) and (d)(5) 63.170(b) 63.171(f) 63.172(j)(4) 63.174(a)(3), (b)(3)(vi), (b)(5), and (g)(3)	Two years from the compliance date of each specific requirement
Geismar	Leak Inspections	63.165(e) 63.148(f)(4), (i)(3)(iii), and (j)(4)	Two years from the compliance date of each specific requirement
Geismar	Transfer Operations	63.126(h)(1), (i)(1) 63.129(d)(1)	Two years from the compliance date of each specific requirement
Geismar	Process Wastewater	63.132(a)(2)(i)(C) 63.135(b)(4) 63.138(b)(3), (c)(3)	Two years from the compliance date of each specific requirement
