Dear Colonel Jonsson:

On March 29, 2022, the U.S. Environmental Protection Agency, along with the Florida Department of Environmental Protection (FDEP), conducted a CEI at the MacDill Air Force Base located in Tampa, Florida, to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report which indicated that deficiencies of RCRA were discovered during the inspection. A copy of the report has been forwarded to the FDEP for follow-up and further review.
