Dear Regulatory Affairs Coordinator:

Your product Nalkylene 500 has been recommended for use in Mobay products. In order to insure the health and safety of our employees and customers and comply with existing Federal, State and/or Local governmental regulations, we request the following information:

1. Two copies of current Material Safety Data Sheet and Product Label prepared in compliance with the OSHA Hazard Communication Standard 29 CFR 1910.1200.
2. Certification that all product components have been reported to the EPA for inclusion in the inventory of existing substances under Section 8 (b) of the Toxic Substances Control Act.
3. Chemical Names and Chemical Abstract numbers (CAS NOS) and percentages of all ingredients reportable under the following regulations:
 - A. Title III of the Superfund Amendments and Reauthorization Act (SARA Title III) - Sections 302 and 313
 - B. The California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65), - current list
 - C. The Pennsylvania Worker and Community Right-to-Know Act
 - D. The Massachusetts Right-to-Know Law

It is important that we receive this information as soon as possible in order for us to prepare appropriate Mobay Material Safety Data Sheets for products using your material.

Thank you for your cooperation in this matter.

Very truly yours,

Mrs. Gwen M. Davis
