Hello,

Thanks for the prompt reply. I would need the information today to publish tomorrow morning.

Yes- that's the impetus for the story.

Thanks for your help,

David Sivak

Good morning David,

A quick word to acknowledge receipt. What's your hard deadline and when are you hoping to publish your story, please?

Also, and for context, is your query part of a story on yesterday's POTUS executive order on infrastructure?

Thanks, R.

Hello,

I am a reporter with The Daily Caller News Foundation.

Is there a list of current and prior highway projects under NEPA review that you could provide me?

If available, I'd be curious to know the start date for the project review and its current status.

I am on deadline, so I appreciate your prompt reply.

Thank you,

David Sivak
