VAN NUTS—(in school crossing guards were honored by police, five with service pins and one with a commendation for preventing a possible serious accident.

Mrs. Lillian Dunhoff, guard at Erwin Street School, 1180 Erwin St., was commended by Capt. Eugene B. Vetter on the receipt of a letter from a motorist who said she witnessed a near accident at the intersection Mrs. Dunhoff guards.

Mrs. H. J. Hager, and Verna Ace, said the was waiting to make a left turn at Grand St. and Vanu Ave. last March 20 when a 14-year-old motorist approached the intersection at a high rate of speed.

Rescued Children

"The crossing guard had her stop sign up, and a little girl and boy were about one-fourth of the way across the street," Mrs. Hager says.

"This wonderful woman ran to these children and put her arms around them. Her quick thinking in keeping them from running into the path of the car probably saved their lives."

Mrs. Hager said the teenage girl drove child-

dred through the crosswalk in the opposite traffic lane before stopping.

"The mother of these children will never know how close to injury or death these children came. Thanks to Mrs. Crossing Guard for a fantastic job well done."

Leon Furr, guard at Van Nuys Elementary School, and Warren Williams, guard at Sherman Oaks Elementary School, both at, awarded service pins. Furr, for 20 years and Williams for 15.

Mrs. Juanita O'Dell, and Mrs. Margaret Crouch, both guards at Kensington Street Elementary School, and Mrs. Genevieve Kibben, guard at Valley View Elementary School, Panorama City, received 10 year pins.

NALCRETE \$4.98
per gal.
for Stucco, Concrete, Brick, Masonry

Paint job coming up? Even if painting time is months away, now is the time to buy the paint you need — and get this sturdy, reusable plastic pail at no extra charge, with each 5 gallons you buy. Dutch Boy Nalcrete is the long-lasting paint that breathes. Nalcrete allows trapped moisture to escape before it can cause blistering or peeling. So it keeps the moisture from rain or fog right where it belongs... outside! Special Nalcrete slightly higher.

Easy does it! Apply with roller, brush, or spray gun — whatever you use, something on Nalcrete is a cinch. Clean-up is easier yet! Just clean painting equipment in water. And while you're still cleaning the handsome result, Nalcrete will be dry! It takes 2 hours — often less, depending on the weather. Come in and select your colors now, while we're offering Nalcrete in clean handy plastic pails. See us right away!
