Subject: SHS - FYI

At yesterday's conference call of API's General Committee on Special Programs they discussed having regular briefings on the SHS (they feel this was a direct request of the Executive Committee). Their next call is Sept. 27 at 12:30 EDT.

Patsy - Charley Williams mentioned you as a possible presenter.

Also, Brenda Hargett said she and Harry Ng plan to visit the laboratory in Shanghai during their trip to China in

SHELL-MCCLURG-053902

November.

The Special Program's budget was approved as presented.
