Dear Mr. Hamill:

Thank you for your letter of December 21 together with your statement to the chairman of the Pennsylvania House Committee on Labor Relations regarding House Bill No. 1574.

The Lead Industries Association has not as yet taken a position on the bill pending receipt of further information about it. Nevertheless, we were appalled by the content and certainly see no inconsistency between your position and ours.

If we submit a statement, we will certainly see that you receive a copy of it.

Sincerely,

J. F. Cole, Sc. D.
Director, Environmental Health
