

FROM C. W. Wright DATE October 25, 1971 FOR
CITY Cleveland
ANSWERING
LETTER OF
SUBJECT INTERIOR LEAD PAINT ALERT

You have received Mr. W. D. Kinsell's bulletin entitled "Interior Lead Paint Alert" dated September 24, 1971. In addition to Mr. Kinsell's directive, the following action is to be implemented:

A. Product Discontinuation

The products listed are to be discontinued immediately:

Y-5691 and Y-5791 Federal Blue
Y-5692 and Y-5792 Victoria Purple
Y-5693 and Y-5793 Falcon Brown
Y-5694 and Y-5794 Tiber Green
Y-5695 and Y-5795 Scarlet Red
Y-5696 and Y-5796 Sun Yellow
Y-5697 and Y-5797 Citrus Orange

B. Regional Special Products

Technical Directors are to review all regional special interior or exterior Trade Sales formulations and are to report to this office all products containing 1% or more of lead--stating the percentage of lead content. Labels used on all products so described are to be attached to this report.

C. Regional Buyout Products

All vendors supplying products either sold under a purchased label or a Glidden label as a private brand are to be contacted. They are to furnish you with a list of all products purchased by you containing 1% more of lead--stating the percentage of lead content. Labels or facsimiles of imprinted lithographed or silk screened containers are to be included in their report.

Attached is a sample letter to be used in requesting this information.
Note - This does not include vendors approved on Form 340 and Buyer's Guide--they are being contacted by Mr. E. L. Patton.

You are asked to initiate this request immediately and send your reports to this office.

TO: GLIDDEN-DURKEE SUPPLIERS

As a supplier of paint coatings or allied products to the paint industry, you are aware of the Paint Poisoning Prevention Act (Public Laws 91-695). Additionally, there are existing strict lead laws prohibiting the sale and/or use of coatings containing 1% or more of lead in interior paints in a number of cities and states.

As a supplier of paint coatings or allied products to our Company, you are requested to furnish us a list of all products, interior or exterior, purchased by us containing 1% or more of lead in any form, and stating the percentage of lead content. Include a product label or facsimile of imprinting of lithographed or silk screened containers.

Please furnish this information and accompanying labels or facsimiles as soon as possible.

If you are not supplying the Glidden-Durkee Division, S.C.M. Corporation paint coatings or allied products containing 1% or more of lead, please sign your name and return this letter to me.
