

1 disease than people with lower levels of exposure, and
2 if they get the disease, it may be more severe, but,
3 again, there are significant individual differences.

4 Q As a general rule, the more you are exposed,
5 the greater chance you have to develop it?

6 A Yes, sir.

7 Q Now, in Mr. Vandergucht's case, did you
8 review his chest X-ray reports?

9 A Yes, sir, I did.

10 Q He did not have asbestosis, did he?

11 A No, he did not have asbestosis.

12 Q You mentioned something earlier on that when
13 you see mesothelioma, it is a signal tumor.

14 MR. IGNATOWSKI: Objection.

15 Q Is that right?

16 MR. IGNATOWSKI: I don't think the doctor
17 said that.

18 THE COURT: Overruled. Dr. Gabrielson is
19 capable of responding.

20 MR. MCGOWAN: Let me rephrase it then.

21 BY MR. MCGOWAN:
