& Drug Reporter, Western Paint Review.

NEW YORK, JULY 28, 1964 - Arthur R. Millas has been named assistant manager of pigment and chemical sales for National Lead Company with offices at New York.

Mr. Millas joined National Lead's Chicago Branch in 1929 as a member of the production staff of the Carter white lead plant at Chicago. In 1935 he was transferred to Detroit as a sales representative and in 1948 he returned to Chicago where he was named sales manager of the pigment, oil and chemical department. He was appointed an assistant manager of the Chicago Branch in charge of ready mixed paints, pigments and chemicals in 1951. Mr. Millas attended Wabash College and Lewis Institute, Chicago.
