SUBJECT TRADE SALES BUY-OUTS
CHICAGO LEAD LAW

Please note attached correspondence that went to all our vendors from whom we purchase paint products. This letter went to all vendors regardless of whether it was a buy-out under Glidden label or the vendor's label.

It is my understanding that Y-4035 is a Glidden manufactured material. If this is the case, then we would have control over that product as far as the FDA's regulations and the Chicago ordinance.
