**Subject:** Do you have time on Tuesday?

90% of the strategic plans you're developing right now for 2018 will fail. Really.

We've worked with *thousands* of plans, across various industries and company sizes - and the weak links that cause organizations to struggle with producing results come down to only one of two things: a strategy that doesn't address the right goals, or a plan that isn't optimized for action.

Join us on **Tuesday, October 10<sup>th</sup>** for a webinar that will uncover how to get the best input on your strategy from the start, and best practices to activate and implement your plan to earn buy-in across all levels of your organization.

Don't fall victim to this statistic again. We'll help you identify what's broken and how to fix it.

**REGISTER NOW**

**You will learn how to:**

- Assess your plan for initiatives and objectives that are actually effective
- Earn buy-in from executives, managers and front-

Leadership Strategies

**Date/Time:**

- line employees on your plan
- Enable accountability, collaboration, visibility and alignment to motivate your team
