DOCUMENT DESCRIPTION: Memo – Phasing out Asbestos

To: Mr. A. Osti - Corporate Safety November 21, 1973

From: J. J. Marino - Quigley Co.

Subject: Phasing Out of Asbestos-Contained Products

The attached memorandum by Mr. Thacker clearly outlines the action we will take regarding the phasing-out of asbestos-containing products. We intend to enter into a final campaign on or about January 15, 1974 and end shipping of products on March 31, 1974. Your recommendations relative to safety have been completely accepted and will be implemented.

If you have any questions, please let me know.
