Re: Citation K9638 No. 63, December 22, 1975.

Dear Mr. Hurley:

After our review of your petition for modification of abatement date, dated March 14, 1977, with regard to Item No. 1 "s" to "g" of the referenced citation, we have decided to object to your petition with regard to this item.

Further correspondence concerning this matter will be forthcoming.

Very truly yours,

Melvin W. Page, Jr.
