Lee,

Thanks for working to meet with us – this approach to water infrastructure finance has tremendous potential and broad support.

Crystal,

Please let me know what times might work either Thursday or Friday – we are looking to review an 8 page piece of Legislation. Even a 15 minute window could work. Thanks!

Lee

It was great to meet with you yesterday regarding the potential for utilizing WIFIA to finance the State CWA and SDWA SRFs – the IN Finance Authority Model. We now have draft legislation from Senate Leg

Counsel and was hoping that Joe Brown (Senator Boozman) and I could meet with you either tomorrow or Friday to walk through the legislation and get your thoughts on a couple of key provisions. Please let me know if you have availability – the EPW Committee is pushing hard to finalize legislation in advance of their upcoming Infrastructure Hearing. Thanks!
