Hi Thalia – see below.

- **On-the-ground point of contact (name, phone, email):** Mary Cordes ; (b) (6) ; mary.cordes@chemours.com
- **Names/Titles of attendees:** Gerardo Familiar, President ; Mary Cordes, Head of Federal Government Affairs
- **Topic(s) your team wishes to cover:** critical minerals/materials, liquid cooling
- **Do you currently have any open projects or applications with DOE?** 2 active grants with HFTO to demonstrate hydrogen novel technologies that will grow America's scientific leadership and maintain global competitiveness in a market that is currently dominated by China.
- **Are there any read ahead materials you would like to provide? If so, please send at your earliest convenience.** Gerardo is speaking at CERAWeek on Thursday about Chemours' innovative two-phased immersion cooling technology, which will address some of the biggest concerns around data center power demand. See attached for awareness on the topic.

Please let me know if you have any questions.

Thank you!,

Mary

You don't often get email from thalia.barte@hq.doe.gov. [Learn why this is important](#)

External email. Confirm links and attachments before opening.

Hi Mary,

Thank you for confirming your meeting with **DOE Infrastructure Under Secretary Steven Winberg on Wednesday, March 12 at 2PM.**

The meeting location will be the **DOE Accelerator room 310A in the Innovation Agora**. See the map below for reference. Kevin Tatulyan will be your point of contact on the ground. He can be reached by phone at (b) (6) should your team have trouble finding the location.

Please note, U/S Winberg will be running on a tight schedule, so please notify Kevin and our team immediately if you are running into delays. Kevin will do the same should the U/S run into any conflicts.

Before the meeting, if you could please relay the following information we would appreciate it.

- On-the-ground point of contact (name, phone, email):
- Names/Titles of attendees:
- Topic(s) your team wishes to cover:
- Do you currently have any open projects or applications with DOE?
- Are there any read ahead materials you would like to provide? If so, please send at your earliest convenience.

Thank you – please feel free to reach out with any questions you might have for our team as well.

Thank you again for meeting with U/S Winberg at CERAWeek. We look forward to the conversation.

Best,

Thalia Barte

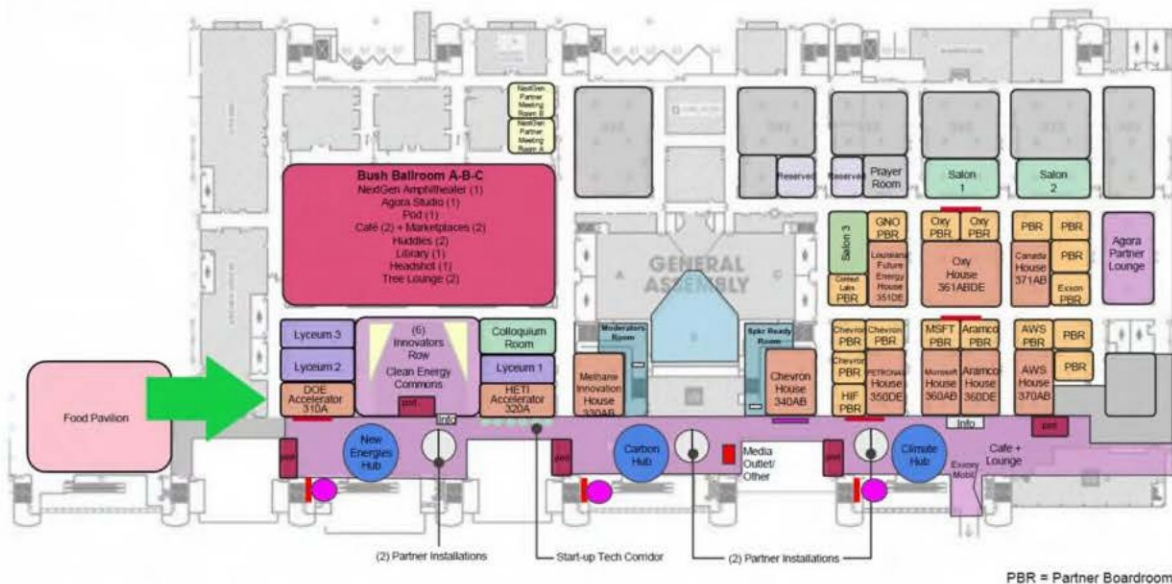

Executive Assistant (S3)

Office of the Under Secretary for Infrastructure

U.S. Department of Energy

Hello Mr. Winberg and Ms. Goudarzi,

I am writing to request a meeting for you and Mr. Gerardo Familiar, President of Chemours.

Mr. Familiar will be speaking at CERAWeek on Thursday about power demand for AI and data centers, and we would appreciate the opportunity to brief you on the essential work Chemours is doing across MESC, FECM, EERE, and alongside the National Labs.

Do you have availability to speak on Wednesday March 12 or Thursday March 13 in Houston, TX?

Thank you,
Mary
