Mr. Elmer P. Wheeler
Monsanto Chemical Co.
800 N. Lindbergh Blvd.
St. Louis 66, Mo.

Dear Elmer:

Many thanks for the report on the toxicity of Pydraul
A-200. This information is quite timely since our company
is interested in the use of the above product.

With best personal regards.

Sincerely,

A handwritten signature in dark ink, appearing to read "Lester V. Cralley", is positioned above the typed name.
