

1 Isn't that what it says on page 21, sir?

2 A Precisely.

3 Q This number we are looking at, number 7
4 there, does not include any grinding or sanding and
5 these people assumed that those numbers would be
6 higher; is that true?

7 A I believe that is correct.

8 Q You can return to the witness stand, sir.

9 A Certainly.

10 (Whereupon, the witness resumed the witness
11 stand.)

12 (Whereupon, the documents were removed from
13 the screen of the overhead projector.)

14 BY MR. SHELLENBERGER:

15 Q Doctor, there was one more study that we
16 didn't talk about that you personally were involved
17 in; isn't that correct?

18 Not involving brakes, sir, but when you were
19 in your position at the school down in Texas?

20 A I am sorry, I don't know what you are
21 referring to.
