Good morning, Sydney,

We have scheduled a meeting with Gary Cohn, Ray Starling and other NEC staff at the White House at 5:00p on Thursday afternoon, April 27, with several members of CropLife America's Executive Committee (a leadership subgroup of our Board of Directors). It should be finished by 5:30 or 5:45p.

Jay Vroom asked me to reach out to you to see if it might be possible to bring this small group (5-6 people or less) by the Administrator's office after that meeting, to say a brief hello and introduce these ag leaders.

Thank you for considering our request. If you need more information, don't hesitate to contact me.

I look forward to hearing from you.

MJ
