White Stallion has more than 550 employees, including 80 full time at Liberty. We could double jobs at Liberty with the mine expansion and re-activating the smelter. Thanks.

-Coal Combustion Residuals: WSE and others would like a three year extension to comply with the new law.  
-Liberty Mine Expansion: Seeking permits to expand production.  
-Alcoa's Warrick Power Plant: There is a SO2 issue at the power plant. Tracking down more info.  
-CSAPR Update: Indiana is disproportionately impacted by the new rule. WSE filed a reconsideration petition in late 2016.
