In case we can't reach Matt, is there a secondary option in Manchester where we could host such a meeting? Sorry to be a pain! Wasn't sure if any of the associations are based in Manchester.

Hey! Do you have another number for Matt with Central Paper? Having a hard time getting ahold of him.

Hey Tate,

We will be meeting in Concord from 9:00 – 10:00 on February 13th.

The first meeting will be 9:00-9:30 a private meeting with the Governor, and then 9:30-10:00 will be with the Governor; the Governor's General Council, who handles WOUS; and the Commissioners of Agriculture, Environmental Services, and Natural and Cultural Resources

We are excited to have the Administrator in New Hampshire!

Let me know if you need any additional information.

Thanks,

Mac

Hello Tate,

Please find a list of names that my offices think could be good people to invite to a meeting with the Administrator surrounding the Northeast Paper Industry at Central Paper Products. The Company recently was sold to Imperial Dade, but the old owners, the Kfoury family, are still in leadership and are supporters of Governor Sununu.

1. Brad Simpkins, Director NH Division of Forest and Lands: Brad.Simpkins@dncr.nh.gov
2. Jasen Stock, executive director for NH Timberland Owner's Association: jstock@nhtoa.org
3. Tom Colgan, President, Wagner Forest Mgmt: tcolgan@WagnerForest.com
4. Bob Berti, President, FORECO, North Country Procurement: **Ex. 6**
5. Ed Witt, Log Procurement Forester for Madison Lumber: ed.witt@madisonlm.com
6. Mike Powers, Chair of the Granite State Division of the Society of American Foresters:

7. Chris Goodnow, Chair of the NH Timber Harvesting Council: **Ex. 6**

8. Ben Crowell, Durgin and Crowell Lumber: bcrowell@durginandcrowell.com
9. Richard Verney, CEO Monadnock Paper Mills: **Ex. 6**
10. Hunter Carbee, Forester and policy director for Granite State Division of Society of American Foresters: hcarbee@metrocast.net

14. Karen Bennett, UNH Cooperative Extension: karen.bennett@unh.edu
15. Tom Thompson, Tree Farmer: **Ex. 6**

We understand this is a long list and wanted to be as inclusive as possible. Feel free to widen it down as you see fit.

The Contact information for Central paper Products (Imperial Dade) and Matt Kfoury is, mKfoury@centralpaper.com **Ex. 6**

The Governor will not be able to make the paper products meeting in Manchester, but Brad Simpkins, our State Forester, will represent the state.

I will reach out to Lee Forsgren to arrange a meeting at the end of the month with the three towns who are having issues with their MS4 permits.

Thanks,

Mac Zelle
