Subject: Final, DASN (E) approved, FAQs related to PFC/PFAS
Attachments: 16-06-15, DON FAQs for PFC-PFAS Final.docx

All,

Attached is the final, approved version of FAQs for your use in outreach material, responding to future media or CODEL inquiries, etc. A special thanks to Gunarti Coghlan for organizing, editing, and adjudicating the many valuable comments we received from many of you the past few weeks. This has made these FAQs much better. I hope you find this a valuable resource as we move forward addressing the PFC/PFAS issues.

As previously discussed, if new questions or inquiries are received that cannot be answered with these FAQs (except for site specific, factual matters), please coordinate with our office for a response. We will update these FAQs, if needed, with new information as it is developed.

VR,
Richard
