Sydney – any chance that the Administrator has time avail after 12? The Governor is scheduled to be with the Attorney General at 11am, and while DOJ is close to you guys, I worry about putting those too closely together. I don't want to run late for your boss.

Thanks for any flexibility you might have!

Good afternoon Ryan,

Hope this email finds you well! Doug Hoelscher asked me to reach out to you regarding a follow up call between Gov. Sandoval and the Administrator. He offered the 26th of April as a possibility. Would 11:45 work that morning?

Thank you!

Hi Brian,

Thank you for being flexible! Unfortunately we are out of town those days as well. Traveling through the 25th. My apologies for the delay in writing back!

Thanks!

Hi Sydney. I just left you a voicemail. I am trying to balance multiple schedules. Please let me know if April 20 or 21 could work for Ryan as well. Happy to talk by phone on my cell – 202-669-3597. Thanks for considering,

Brian

Thank you Sydney for getting back to me. I think we could move the meeting to later in that week. Would April 20th or 21st be better for such a meeting in DC?

Hi Brian,

Thank you for reaching out! We will actually be traveling on the 19th and not in DC. Is there perhaps another time when your organization plans to visit DC?

Thank you!

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian
