

Valley Home has been seized by the government for \$62,000 unpaid income taxes.

Collector of Internal Revenue Robert A. Riddell said the home, in Chatsworth, will be sold unless the actress and her husband, movie director Andre De Toth, work out a plan to redeem it within 20 days. Riddell said the couple vacated the house 11 days ago after the notice of intention to seize it had been mailed. Miss Lake is on tour.

WASHINGTON (AP)—The government today ordered a further cut in use of tin cans for packing civilian products for the three-month period begun April 1.

The quota for use of tin in cans for beer, pet food and various other items was reduced from 90 per cent to 75 per cent of average use in 1949 or 1950.

Packers of perishable foods and a few items such as blood plasma still are permitted unlimited use of tin cans.
