Roster

of

THE AMERICAN ACADEMY OF INDUSTRIAL HYGIENE

1974-1975

American Board of Industrial Hygiene, Incorporated

American Academy of Industrial Hygiene

OFFICERS AND COUNCIL

(Terms begin May 1974)

NEWELL E. BOLTON, *President* (1975)

KENNETH NELSON, *Vice President* (1975)

HOWARD E. AYER, *Secretary* (1977)

H. B. PERRY, *Treasurer* (1975)

V. K. ROWE, *Past President* (1975)

HAROLD R. HOYLE, *Councillor* (1977)

H. L. KUSNETZ, *Councillor* (1975)

ROBERT H. STARKEY, *Councillor* (1976)

PAUL E. TOTH, *Councillor* (1975)

History

In 1956, the Board of Directors of the American Industrial Hygiene Association appointed an *ad hoc* Committee on Certification in the Field of Industrial Hygiene. Under the chairmanship of Lewis J. Cralley, Ph.D., this Committee reported to the Board on October 10, 1957, recommending that the Association endorse and initiate the establishment of a voluntary certification program for qualified industrial hygienists.

In November 1957 the Board of Directors appointed an *ad hoc* Committee on Certification Standards, under the chairmanship of Henry F. Smyth, Jr., Ph.D. In February 1958 this Committee recommended to the Executive Committee of the Association that the American Conference of Governmental Industrial Hygienists should be invited to join with the Association in initiating a certification program, and should be invited to delegate six members to join with the *ad hoc* Committee in planning. Early in 1958 these ACGIH delegates were named, and the resulting Joint Committee on Certification Standards with thirteen members held its first meeting in April 1958, under the chairmanship of Henry F. Smyth, Jr., Ph.D.

In March 1959 the Joint Committee recommended to the two Associations that voluntary certification should be conducted by an independent incorporated Board, that the two Associations should sponsor the Board and advance monies for its initial expenses, that the Joint Committee should be discharged, and that each Association should delegate six of its members to join in organizing the independent Board. During the summer of 1959 the memberships of the two Associations approved the principle of voluntary certification, the outline of plans and proposed qualifications for certification which had been prepared by the Joint Committee, and the advance of money for initial expenses. Each organization thereupon delegated six of its members to join in organising the Board.

The twelve delegates held their initial meeting in Rochester, New York on April 24, 1960. A petition for a charter as a non-profit corporation under the laws of the Commonwealth of Pennsylvania was approved by the Court of Common Pleas of Allegheny County September 12, 1960, and certified by the Prothonotary of that County September 26, 1960. The American Board of Industrial Hygiene held its first annual meeting in Pittsburgh on October 28, 1960.

All diplomates of the American Board of Industrial Hygiene become members of the American Academy of Industrial Hygiene. They remain members in good standing so long as they pay the annual dues assessed by the Board. Those who have retired from professional activity will remain members in good standing without the payment of annual dues. During 1966 the diplomates activated the American Academy of Industrial Hygiene as a voluntary professional society.

American Board of Industrial Hygiene, Incorporated

Nominated by American Conference of Governmental Industrial Hygienists

Edward J. Baier	1976
James C. Barrett	1976
Knowlton J. Caplan	1978
Charles L. Cheever	1980
John C. Lamsden	1978
Jack C. Rogers	1980

Nominated by American Industrial Hygiene Association

Vincent J. Castrop	1976
Melvin W. First, ScD	1978
Henry J. Muranko	1980
Verald K. Rowe	1976
Henry F. Smyth, Jr., Ph.D.	1978
Paul E. Toth	1980

Nominated by American Academy of Industrial Hygiene

Newell E. Bolton	1980
Bobby F. Craft	1978

BOARD OF DIRECTORS

(All members of the American Board of Industrial Hygiene, Incorporated are members of the Board of Directors)

OFFICERS 1974-1976

PAUL E. TOTH, *Chairman*

CHARLES L. CHEEVER, *Vice-Chairman*

JAMES C. BARRETT, *Secretary-Treasurer*

Bylaws

American Academy of Industrial Hygiene

Preamble

The American Board of Industrial Hygiene Incorporated under the laws of the Commonwealth of Pennsylvania in 1960 as a non-profit corporation has as a primary purpose improvement in the practice and educational standards of the profession of industrial hygiene. The American Board of Industrial Hygiene in carrying out its objectives certifies individuals as to education, experience and professional ability in the comprehensive practice of industrial hygiene or specialized aspects of the profession.

The American Board of Industrial Hygiene by legal action duly recorded in the minutes of the Corporation has indicated that successful candidates for certificates shall attain the status of Diplomate in the American Academy of Industrial Hygiene subject to compliance with requirements established by the American Board of Industrial Hygiene. Further, the American Board of Industrial Hygiene by legal action duly recorded in the minutes of the Corporation has activated the American Academy of Industrial Hygiene into a non-incorporated, voluntary, non-profit, professional society, under the sponsorship of the Corporation to attain the Purpose and Objectives outlined in the Bylaws of the Academy.

Article I. Name

The name of the organization shall be "American Academy of Industrial Hygiene."

Article II. Purpose and Objectives

Section 1. The purpose of the Academy is to provide leadership in advancing the professional field of industrial hygiene, by raising the level of competence of industrial hygienists and by securing wide recognition of the need for high quality industrial practice to insure healthful work conditions in the various occupations and industries. To meet this central purpose the Academy must work both within and outside its own professional group. Its activities shall include but not be limited to:

(a) **Recruitment and training**—develop and conduct programs of recruitment of graduates in the sciences and in engineering into the field; promote programs of graduate training in industrial hygiene and consult with the universities and other training programs, entrance requirements, curricula and methods of instruction to insure a firm base on which to build professional competence; encourage the development of programs of continuing education and training for practicing industrial hygienists through refresher courses and advanced seminars.

(b) **Promotion of industrial hygiene**—promote recognition by all individuals and organizations concerned with health maintenance in industry of the need for the highest level of competence in industrial hygiene practice; participate actively in governmental planning committees and hearings and in the parallel efforts of industrial management groups and labor organizations to improve and extend occupational health activities; collaborate with other professional groups in occupational health in pursuit of common aims and objectives.

(c) **Advancement of Board Certification**—work with the appropriate governmental and private agencies to secure the widest acceptance and adoption of Certification by the American Board of Industrial Hygiene as a basic qualification for employment in both public and private industrial hygiene organizations.

(d) **Code of Ethics**—establish guidelines for ethical conduct in the practice of industrial hygiene.

Section 2. The Academy is organized as a non-profit association. Its officers shall serve without pay and upon dissolution of the Academy, its assets shall revert to the American Board of Industrial Hygiene.

Section 3. Subject to specific approval by the American Board of Industrial Hygiene, the Academy is empowered to accept grants, gifts and monies from foundations, government, industry and individuals to implement specific objectives within the purposes of the Academy or to implement the objectives of grants made to the American Board of Industrial Hygiene.

Article III. Membership

All individuals who are certified by the American Board of Industrial Hygiene are eligible for membership in the Academy and will maintain active membership by regular payment of dues.

Article IV. Officers and Council

Section 1. The officers of the Academy shall be the President, the President-Elect, the Vice-President, and the Secretary-Treasurer.

Section 2. The Council will consist of the officers plus four Councilors, one of whom shall be appointed by the American Board of Industrial Hygiene for a three year term from the membership of the American Board of Industrial Hygiene, and the immediate Past President and will act as the governing body of the Academy.

Section 3. Term of office. The President, the President-Elect and the Vice-President shall each serve for one year. At the expiration of their terms, the Vice-President automatically becomes President-Elect, and the President-Elect automatically becomes President. The Secretary-Treasurer will serve for three years. The Councilors will serve for three years, and one new Councilor will be elected each year so that a completely new council is not installed in any year.

Section 4. Executive Committee. The Executive Committee will consist of all four officers and will be given such duties as the Council desires. In general, the Executive Committee will report any of its actions to the next scheduled meeting of the Council.

Section 5. Meetings. The Council shall meet at least once a year at the call of the President. A quorum will consist of five Council Members.

Section 6. Mail Ballot. In the interval between meetings of the Council, action may be taken by ballots mailed to each Council Member by the Secretary-Treasurer or President, provided a majority of Council Members return their ballots marked within the time stated in the ballot.

Article V. Elections

Section 1. Nominations of officers and elective directors shall be made by a nominating committee of three members of the Academy to be proposed by the President and appointed by the Council. At least 90 days before the annual meeting the nominating committee shall select two nominees for each elective office. Names of candidates will be submitted to the Academy Members for action by mail. In case of a tie vote, the tie shall be resolved by vote of the Council.

Article VI. Duties of Officers

Section 1. The President shall be the principal administrative officer of the Academy and of the Executive Committee and Council, and shall preside at all meetings of these groups. He shall perform such other duties as may be directed by the Council.

Section 2. The President-Elect shall carry out the duties of the President when the latter is absent from a meeting, deceased or incapacitated.

Section 3. The Vice-President shall carry out the duties of the President when both the President and President-Elect are absent from a meeting, deceased, or incapacitated.

Section 4. The Secretary-Treasurer shall keep accurate record of the transactions of all meetings of the Academy, Council and Executive Committee. He shall carry on correspondence of the Academy, the Council, and the Executive Committee. He shall be custodian of all monies of the Academy. He shall receive monies due the Academy and pay all authorized bills against the Academy. He shall submit his accounts for audit in advance of the annual meeting of the Council. He shall be bonded at the expense of the Academy.

Article VII. Meetings

Section 1. There shall be an annual meeting of members of the Academy to conduct such business as shall be brought before it.

Section 2. The Council may call special meetings of the members of the Academy.

Section 3. For all meetings of the Academy a quorum shall consist of 10% of the Members.

Article VIII. Dues

Dues for membership in the Academy shall be that portion of monies assessed by the American Board of Industrial Hygiene and as allocated by mutual agreement between the American Board of Industrial Hygiene and the Directors of the Academy to the Academy by the American Board of Industrial Hygiene.

Article IX. Amendments

Section 1. No amendment to the Bylaws shall change the qualifications for membership.

Section 2. No amendment to the Bylaws shall result in pecuniary gain or profit, indirect or otherwise, to a member of the Academy.

Section 3. Any proposed amendment to the Bylaws must be submitted in writing to the Council and must be signed by five Members. The Council shall also have the power to initiate amendments to the Bylaws. The Council shall consider all such amendments and shall submit them to Academy Members for action by mail ballot. Approval shall be given by favorable vote of two-thirds of the ballots returned within 30 days.

Members of the American Academy of Industrial Hygiene

July 1, 1974

Abbey, Douglas R.
Comprehensive Practice
Kemper Insurance
88 University Ave.
Toronto, Ont., Canada

Ackerman, Harry H., (M.A.)
Comprehensive Practice
