**CAUTION:** This email originated from an outside source. Do not click links or open attachments unless you know they are safe.

You are invited to participate in the U.S. Environmental Protection Agency's agriculture and food production Smart Sectors roundtable discussion.

Who:

- Agriculture stakeholders
- Producers

- Associations
- Local, State and Federal government employees

What: EPA Smart Sectors is a partnership program that provides a platform to collaborate with regulated sectors and develop sensible approaches that better protect the environment and public health: <https://www.epa.gov/smartsectors>

Where: Grand International Hotel  
1505 North Broadway  
Minot, ND 58703

When: Monday, June 25, 2018  
3:00 to 4:30 p.m.

Why:

- The roundtable is focused on identifying practical solutions to various environmental regulatory, permitting, and compliance challenges to achieve more effective and efficient environmental outcomes.
- To improve relationships and enhance communications among sector stakeholders.
- To identify and share solutions related to challenges that adversely impact efficient and timely compliance.

How:

- Stakeholders will come together to share their individual expertise and experience. Participants will be asked to share their individual viewpoints throughout the roundtable and consensus will not be sought.

Questions to ponder before attending the roundtable:

- In your personal opinion which EPA policies or regulations would you like to see modified or made easier with which to comply?
- In your personal opinion what could the EPA do to accomplish this?
