RE: Meeting with David McCrea, Bill Snyder
DATE: March 3, 1992

This is to confirm that David McCrea and Bill Snyder will be here on Friday, March 6 to discuss Nevada Power v. Monsanto et al. Please plan to meet at 10 a.m. and have lunch afterward.

Loy and I plan to have dinner with them (Bill Snyder's wife will accompany him) on Thursday evening. I'd be happy to have you join us, with spouse or significant (or even insignificant) other if you're so inclined.
