Gentlemen:

Permit is hereby granted to operate this equipment pursuant to Illinois Pollution Control Board Rules and Regulations, Chapter 2: Air Pollution, Part VI.

This permit is valid until the permit expiration date stated above.

This permit, granted under asbestos regulations, does not relieve the permittee of responsibility for compliance with provisions of the Rules and Regulations, Chapter 2, Part I, which requires permits for (1) all facilities and equipment which are of a type which is capable of emitting specified air contaminants, and, (2) for all air pollution control equipment. The information contained in the application for this permit may be incorporated by reference into applications for Part I permits.

This permit is granted subject to the following conditions:

1. Standard conditions attached hereto and incorporated herein by reference.

Very truly yours,
