Inter-Office Correspondence

From LOCATION : General Offices - St. Louis

cc: Mr. R. R. Ludlam

DATE : August 16, 1960

SUBJECT : Recognition of Contractors' Safety Performance

REFERENCE : Your August 11 Memo

TO : Mr. C. L. Gilmore
Texas City, Texas

→ Tony
We will let light
until Dick Ludlam
makes request. I think
you know background,
if not, discuss with me.
Gil

Dear Gil:

To my knowledge, there is no Monsanto policy which says that you cannot recognize a contractor's safety performance by a plaque or certificate. I know of no other plant in Monsanto that does this, however.

I see no reason why your plant could not present some sort of recognition to contractors for good safety performance. As a matter of fact, it sounds like a good idea to me.

Best regards.

George L. Corbell
