TALC AND THE OSHA

Asbestos Standard 29CFR 1910.1001

Cyprus Industrial Minerals Company's Montana talc based products are free of asbestos as defined by the OSHA Safety and Health Standards (CFR 1910.1001 (a)).

We attached a list of Montana based talcs for your reference and suggest that this letter be kept with previous correspondence on this subject. As new regulatory data is published we will provide further clarification.

Sincerely,

C. R. Moebus
Vice President
